The reputation which these Reports maintain in England and in the United States, is known to all the Profession. The low price at which they are offered, compared with the rates of some of the principal American Reports, of even inferior merit, recommends them particularly to the attention of those purchasing libraries.

A GENERAL INDEX To the first forty-seven volumes of THE ENGLISH COMMON LAW REPORTS.

By Hon. George Sharswood and George W. Biddle, esq.
With this Key to their contents, the English Common Law Reports present to the Profession amass of legal learning in the shape of Opinions, Dicta, elaborate Arguments. &c., &c., sufficient, probably, for the Elucidation and Prosecution or Defence of any case that can arise in our Courts of Law: and being thus made easily and instantly accessible, these Reports will be found so comprehensive, convenient, and cheap, as to supersede the necessity of other and more expensive series.

The Index will be found of great value to all possessing the reports; and of great convenience to those having access to, but not owning the series. By Hon. George Sharswood and George W. Bid

"Mr. Greenleaf's part in the work is not merely well, it is admirably, done. His notes are full of learning, carefully considered, and of most commendable brevity. He has had no ambition to magnify his office. He has not encumbered his pages with a showy display of cheap learning, nor imposed upon the profession the necessity of purchasing a mass of speculative discussion, of no practical utility.

The whole work, edited throughout as the first two volumes have been, will be one of the most valuable gifts ever bestowed upon the legal profession, and will add essentially to Mr. Greenleaf's already extended reputation."—North American Review.

THE WILD CHERRY AND SARSAPARILLA,
which, on the basis of this preparation, have
long been celebrated in Consumption and Scrofula,
Diseases of the skin, Coughs, Colds, Spitting of
Blood, Asthma, &c. Though this remedy has been
but a short time before the public, yet it has gained
perhaps more character and reputation as a curative in those diseases than any remedy of the day.
The Bishop of the Protestant Episcopal church,
(the Right Rev. W. R. Whittingham,) authorized
us to say he has used it in his own person with decided benefit—Dr. S. Harper, of Kent Island, has
written to us, he has used it with great success in
his practice [see his letter in the pamphiet.] And
in a lotter from a lady on the Eastern Shore of this
State, she says: "I had a letter from Miss E.—
T. n Tuesday; she says mother has requested her to tate, she says: "I had a letter from Miss E-, leabel derived almost instantaneous relief from MARTIN'S SYRUP OF WILD CHERRY. Her disease was Consumption in its forming stage.
The Boonsborough Odd Fellow, of Washington county, Maryland, June 20th, 1848, says: "When on article has afforded relief to so many persons as DR. MARTIN'S COMPOUND SYRUP OF WILD DR. MARTIN'S COMPOUND SYRUP OF WILD CHERRY has done, we feel bound to make it knewn. There never was an article in this country that has afforded rellef and gave more satisfaction than this. In the neighborhood of Brownsville, in this county, it has effected several important cures, and, from our own certain knowledge of it, we pronounce it unequalled for the cure of Coughs, Colds, and discases of this kind."

MARTIN AND WHITELEY'S NATIONAL TONIC.

A certain cure for Ague, Fever and Dyspepsia.—In our summer and fall months many sections of our country are prostrated by BILIOUS FEVER, and AGUE and FEVER. It has been our particular study to find out some remedy to stop this dreadful scourge, and think in this TONIC we have effected this great object. It is also, we think, the very best remedy in Dyspepsia, and, if our directions of the country is the country of the country of the country in Dyspepsia, and, if our directions are considered. 5. INDEX OF CASES.—An Index of the Names fail the Cases in the three volumes of the United tates Digest, and the two volumes of the Supplement, alphabetically arranged, with References or each Case to the volume and page of the Reports whence the Case is taken, and to the volume and page of the Digest where it is found; thus making an Index of Cases as well for all the Restraint in the United States, as for the United States, as f cure having been effected. I was at length induced, at the recommendation of your worthy agent at this place, to try a bottle of your NATIONAL TONIC, and to my great satisfaction, before I had used half of it, I feit completely cured, though I continued the use of it till I had taken two bot lies." In a joint certificate from Messrs. Miles Kaho, William Blackson, and James D. Brown, of the same place, they say: "Having tried nearly all the remedies within our reach without success, we at last purchased some of your NATIONAL TONIC, which has completely cured us. We cheerfully recommend it to the notice of all persons afflicted with that terrible disease as the lest remedy yet discovered." See the pamphiets, which you can get from one
